**Subject:** Animas/Gold King Mine Data Info

All, this information will be released this morning. A lot is happening very quickly. We are explaining this to Senators and Governor in Durango at 10am this morning. Prepping for a public meeting at 6pm and issuing on web site this morning. My distribution is truncated here, so please forward to those in EPA who need to know this. Not ideal, I know, but consistent with Congressional and Media updates yesterday afternoon, so should be no surprises, just lots of questions.
